

Multilingual services for the tourism industry

The tourist industry is one of the world's fastest-growing and most financially powerful sectors.

The WTTC (World Travel & Tourism Council) has forecast a gradual increase in international travel, while the World Tourism Organization estimates that by 2030 there will be roughly 1.8 billion journeys every year.

Multilingual services have become a key factor in the global tourism industry and a driving force in encouraging cross-border travel. Effective communication in all languages means that we are all becoming citizens of the world.

SeproTec offers the tourism sector a wide array of comprehensive multilingual services designed with both the industry and the consumer in mind.

📍 RELIABILITY

More than 25 years of experience, endorsed by major clients from every field in the tourism industry.

📍 EFFICIENCY

We design a customized workflow to cater to projects of all sizes, and assign just one reliable contact person to handle your individual customer service needs during your internationalization process.

📍 COMPREHENSIVENESS

We offer a comprehensive service in over 500 language combinations and can provide telephone interpreting into 80 languages available in less than two minutes whenever you need it.

📍 PROFESSIONALISM

We guarantee consistency in our translation and interpreting services by applying strict quality control standards.

📍 PRODUCTIVITY

We have a diverse team of professionals and collaborators from all over the world with year-round, 24/7 availability.

📍 FLEXIBILITY

We develop specific solutions for our clients' content managers and use webcast technology for multi-channel simultaneous interpreting services anywhere in the world.

📍 COST-EFFECTIVENESS

We focus our technical and human efforts on reducing overhead to ensure competitive prices.
